

Linguaskill ▶▶

Simplify your English language testing

Linguaskill is a quick and convenient online test to help organisations check the English levels of individuals and groups of candidates. You can use one test for everyone, of all abilities.

It's fast and accurate, and can be easily administered and invigilated at your own venue at a time that suits you.

Higher Education Institutions and employers can use Linguaskill for:

Admissions

Assess students' language levels on admission.

Recruitment

Hire employees with the right English skills.

Graduation

Check your students meet exit requirements.

Progression

Measure improvement in language ability over time.

Why choose Linguaskill?

Fast, accurate results

Receive individual Test Reports and Group Reports within 12 hours, with instant results for the Reading and Listening module.

Results you can trust

Linguaskill has been extensively researched and trialled by Cambridge Assessment English. You can have complete confidence in the results.

In-depth reporting

You'll receive a Test Report showing a CEFR level and Cambridge English Scale score for each language skill, to help you easily make informed decisions and compare performance.

Easy to administer

Linguaskill doesn't have any set dates or venues; you can run and invigilate the test at your own site, whenever you want. Answers are marked automatically by computer, to provide fast, accurate results without the need for examiners.
