Ice and Salt Restaurant Reviews

A. Reviewer 1

We had dinner here a few years ago and it wasn't fantastic. Of course, we went back again thinking it might have improved. Lovely helpful staff but the food is very average especially taking into account that it is quite expensive. Wouldn't really recommend it unless you're stuck.

B. Reviewer 2

Great location and facilities especially with children as they can join in with the live music while you are at dinner; if you have a table on the terrace. Food is always good, basic menu but done well. I feel desserts are overpriced and not great especially for children but we always make a trip here when in the area.

C. Reviewer 3

Food looked like it was pre-frozen and heated up and tasted so. It was not unpleasant but not worth the money being charged. Very attentive staff and service was good.

D. Reviewer 4

We chose from an uninteresting menu, the food was O.K. The service was good but it's becoming a bit too pricy for what it is. I like the restaurant but upon leaving we thought it was all just OK.

Which reviewer states the following?

The menu was not very exciting.

The food was good but some things are quite expensive.

The food was not freshly cooked.

The staff was the only really good thing about the restaurant.

Would only suggest you eat there if you really have to.
